Abstract

The author presents some great personalities and events that have marked the history of quality and for which 2014 is an anniversary year. We could mention among these, the anniversary dates for the great quality gurus Walter A. Shewhart (the „father“ of modern quality), Joseph M. Juran and Genichi Taguchi, as well as the anniversary of some representatives ISO standards and EU important documents in quality fields.

Keywords: Quality, Quality management, History, 2014, Walter Shewhart, Joseph Juran, Genichi Taguchi, EC, ISO 9000.
